INCOME STANDARDS FOR 2019

It is recommended that you read this application before you fill it out. In some instances you may not qualify.

I/We, _____, being the owner(s) and resident(s) of the property listed below, desire to apply for tax relief under section 74 of the Michigan General Property Tax Act (which states, "The real property of persons who in the judgment of the assessor and board of review, by reason of Poverty, are unable to contribute towards the Public charges, are exempt for tax under this act.")

I/We also swear that this property is my, "Homestead property or Qualified Agricultural property," as defined in MCL 211.dd.

NEW POVERTY EXEMPTION REQUIREMENTS EFFECTIVE 1994

PA 390 of 1994 states that the poverty exemption shall not be granted to property owned by a corporation.

Starting 1995, PA 390 of 1994 states that the governing body of the local assessing unit shall determine the policies and guidelines that the local assessing unit will use when deciding whether to grant poverty exemptions.

PA 390 requires that the poverty exemption guidelines include the asset levels of the entire household. The determination of the amount of the asset levels is left to the discretion of the local governing body. Local governing bodies are required by the Act to set income and asset levels for their poverty exemption guidelines.

In order to qualify for the poverty exemption, the claimant must meet all of the tests set by the local governing body.

PA 390 requires that local assessing units make available to the public their policies and guidelines for the granting of poverty exemptions. The Board of Review shall follow the policies and guidelines of the local assessing unit when granting or denying a poverty exemption. The same standards shall apply to each claimant in the unit for the assessment year.

PA 390 requires that the poverty exemption guidelines set by the governing body of the local assessing unit include income and asset level. The Act further requires that the income levels NOT be set lower than the federal poverty income standards.

PARTIAL POVERTY EXEMPTIONS:

Beginning in 1995, PA 390 of 1994 authorizes partial poverty exemptions. A partial poverty exemption is an exemption of only a part of the taxable value of the property rather than the entire taxable value.

FILING FOR THE POVERTY EXEMPTION:

In order to be eligible for the poverty exemption, the claimant must do all of the following **on an annual basis:**

- 1) Own and occupy as a homestead the property for which the exemption is requested.
- 2) File a Claim with the supervisor/assessor or board of review after January 1, but before the day prior to the last day of the Board of Review on a form provided by the local assessing unit.
- 3) Provide Federal and State income tax returns for all persons residing in the homestead including any property tax credit returns.
- 4) Produce a valid driver's license or other form of identification if requested.
- 5) Produce a deed, land contract, or other evidence of ownership of the property for which an exemption is being requested, if requested.
- 6) Meet the federal poverty income standards adopted by the governing body of the local assessing unit.
- 7) Meet the asset levels set by the governing body of the local assessing unit.

A claimant may Request a Poverty Exemption and Appeal the Property's Assessment to the March of Review.
